## [ DESCRIPTION ]

Connected Switchgears' range of fire rated wall boxes are manufactured from sturdy zinc steel, they incorporate sliding or swinging mounting clips to allow speedy and successful installation in wall surfaces up to 35mm thick. The fire rated metal recessed wall box, WBR-FR1, is suitable for use when fire rated protection is required for dry wall surfaces. The 10mm intumescent material included provides adequately for a -/120/120 rating when installed in accordance with instructions. Screw centres are 84mm with rear conduit entry points in 20 and 25mm.

## [ FEATURES ]

- Swinging Sliding Clips
- Fire Rated -/120/120
- Knockouts for Easy Cable Access
- Suitable for Dry Wall Surfaces up to 35mm Thick
- Available in Non-Fire Rated
